President's Message

I am happy to know that the Research and Publications Committee has, for the first time, decided to publish an 'Authors' Directory' that would provide brief profiles of authors who have contributed articles in the Management Accountant Journal of the Institute during the year 2018. I think this is a very good initiative that would encourage our members to share their write-ups in our Journal. I commend the R&P Committee as well as R&P Directorate for bringing out this booklet which, I am told, would be brought out every year.

Availing of the opportunity, I would like to urge upon our members' community to engage in research by inking their experiences in their respective fields in shape of articles that could offer pragmatic solutions to the business and industry issues relating to production, operation, cost control, supply chain, marketing etc. The Management Accountant Journal could become a beneficial source of knowledge and guidance for the business and industry if our members come forward and transform their experiences into write-ups for publication in the Journal. I realize that this would entail time from your busy official engagements, however, this would definitely signify your valuable contribution towards the promotion of the Institute and profession.

I once again congratulate the Research and Publications Committee, especially its Chairman, Mr. Muhammad Yasin, for coming up with this unique idea and hope that this initiative would be appreciated by members.

Zia ul Mustafa, FCMA
President, ICMA Pakistan

Foreword

I am pleased to launch the first edition of 'Authors' Directory' which contains brief profiles, along with contact details, of those writers whose articles have been published in the six issues of bi-monthly Management Accountant Journal of ICMA Pakistan during the year 2018. The purpose behind this publication is to recognize the contribution of authors in our Journal and to provide them a written referral of literary work. This is for the first time that the Institute is publishing such a booklet of authors and hope that this would be appreciated by members and other readers.

One of the underlying intentions is to encourage our members to come forward and contribute research-based write-ups, based on their accumulated experience and wisdom, on issues of relevance to our profession as well as on the national economy.

In the preceding year, 33 members contributed articles in the MA Journal, out of which 24 were Fellows whereas 9 were Associate members. Few of the members also contributed more than one article. A notable feature of 2018 was that 18 new members of ICMA Pakistan contributed their first article in the Management Accountant Journal. I congratulate these authors and hope that they will continue to share such valuable write-ups on diversified topics for the benefit of other members and readers.

In addition to members, the Journal also published focus articles of five Pakistani and five foreign authors, respectively, who had sent them for exclusive publication in the Management Accountant Journal. I want to thank them specially for their valued contributions through which our members and readers gained beneficial knowledge. I hope and expect that these authors would share articles in future issues as well.

Let me record my appreciation for my colleagues in Research and Publications Committee for approving the idea of bringing out this directory which will be an annual feature. This certainly signify one of the milestones for the Committee and the Institute. I also praise the efforts of the Research and Publications Department for transforming this idea into reality.

Muhammad Yasin, FCMA

Chairman, Research & Publications Committee
ICMA Pakistan

A brief History of Management Accountant (Journal)

Journals published by professional institutes as their official organs are regarded as a constant source of continuing professional education. They bring to their members important information about new developments in their respective fields in a purposefully tailored form; provide them with a chance to benefit from the views and ideas of professional experts on specific current topics of direct relevance to their professions and offer them a forum to express their thoughts and narrate their own experiences in writing. The journals also serve as welcome continuing links between the qualified students and their Alma Maters.

In March 1961, realizing the value and usefulness of having a journal of its own, the Council of the Institute decided to launch an official Journal with name and title of '**The Industrial Accountant**'.

At that time, publication of the 'Industrial Accountant' Journal, besides its intrinsic worth, was also considered essential as a means to serve Pakistan's fast-growing industries. In those days, industrial development was moving very fast but the alarming aspect was the high cost of production and the worrisome percentage of wastage of resources in almost all established industries. The situation demanded control and monitoring by cost accountants, but enough qualified and trained cost accountants were not available in the country. The Institute, though doing its best, was not able to bridge the gap between the demand and supply of qualified accountants. The pass rate of its students was very low and the market demand of skilled cost accountants at the national level was too high and growing rapidly. The Institute was periodically bringing out a "Cost Bulletin" but its scope was too limited to serve the purpose effectively.

The above situation warranted that a full-fledged journal be published to create an atmosphere conducive to growth of deep interest in cost and industrial accounting both among the students and industrialists. A journal, which could be a source of information about cost accounting techniques and methods for those who were not able to join the Institute or pass its examination, was the need of the hour. And the Institute responded to it responsibly by starting publishing "**The Industrial Accountant**" in **March 1961** as a quarterly publication.

In **July 1992**, the name of Journal was changed from "Industrial Accountant" to "Management Accountant".

From January **1997**, the journal was converted from a 'quarterly' into 'bi-monthly' publication.

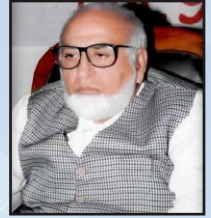

From **January 2001** to **December 2004**, the Journal was published on monthly basis. The change was necessitated by the need to make available to members and students more and more articles and latest information in a rapidly changing global environment.

Since January **2005**, the Journal is being published on bi-monthly basis.

Articles Contributed by Members of ICMA Pakistan

1) KHALID MEHMOOD [F-147]

Title of Article : Should I leave the Business of PSX?
I am not a Computer Literate
Issue published : May-Jun 2018

About ICMA Pakistan

Founder of Institute

Late Mohammad Shoaib was the Founder President of the Institute. He remained President of Institute during two terms i.e. from 1951-1955 and from 1966-1969. In 1944, he founded the Indian Institute of Cost and Works Accountants [now called Institute of Cost Accountants of India] and was its founder President upto 1948. He was one of Pakistan's ablest financial experts who also held the following important portfolios of Federal Finance Minister of Pakistan; Vice President of the World Bank; and Consultant to the

World Bank [he held this position till his death on 12th May 1976]. Mr. Shoaib's contribution to the development of Cost and Management Accounting profession in Sub-Continent will be remembered with a sense of gratitude.

Historical Landmarks

On 23rd. May 1951, a Certificate of Incorporation was issued under the Indian Companies Act of 1913 by the Registrar Joint Stock Companies to form the Institute with the name and title of 'Pakistan Institute of Industrial Accountants (PIIA).

On 30th June 1966, the Parliament passed the 'Cost and Industrial Accountants Act, 1966' which received President's assent on 14th July 1966 and became effective from 20th August 1966. The Act mandated the Institute to regulate the management accounting Profession in Pakistan.

On 16th November 1976, the National Assembly passed the 'Cost and Industrial Accountants (Amendment) Bill, 1976' which received President's assent on 26th November 1976. From that day onwards, the Institute came to be known by its new name i.e. Institute of Cost and Management Accountants of Pakistan.

On 8th September 1990, the Council under Section 34 of CMA Act 1966 promulgated the 'Cost and Management Accountants Regulations 1990 with the approval of Federal Government.

Mandate & Responsibility

By virtue of authority vested in by Cost and Management Accountants Act, 1966 and Cost and Management Accountants Regulations, 1990, the Institute has been entrusted with responsibilities to (1) provide education (2) examine competencies and (3) confer internationally recognized post-graduate professional certification. After qualifying and meeting prescribed membership requirement, Institute awards designations of Associate Cost and Management Accountant (ACMA) and Fellow Cost and Management Accountant (FCMA).

International Affiliations

ICMA Pakistan is the founding member of International Federation of Accountants (IFAC) [since 1977], Confederation of Asian and Pacific Accountants (CAPA) [since 1980] and South Asian Federation of Accountants (SAFA) [since 1984]. It is actively engaged with these accounting bodies to promote the accounting profession around the globe.
