

# DIRECTORY OF PRACTICING MANAGEMENT ACCOUNTANTS 2013

Institute of Cost and Management Accountants of Pakistan

## Vision

“To be the Preference in Value Optimization for Business”

## Mission Statement

“To develop strategic leaders through imparting quality education and training in Management Accounting, to continually set and upgrade professional standards and to conduct research, bringing value-addition to the economy”

## Core Values

“Integrity, Competence, Pro-activity and Innovation.”

## Message from President And Chief Executive

The Directory of Practicing Management Accountants is in continuation of Institute efforts for the promotion of Best Corporate Practices in the Industry.

The information about the Management Accounting Firms is clearly highlighting the important role of Management Accountants as Management Consultants, which also facilitate to the Government and Regulators to achieve their objectives of Corporatization and Economy Documentation in the county with the expertise of Management Accountants.

In this ever changing business world, managing business activities in an efficient manner is a great challenge for management. To meet these challenges in an effective mode, Management Accountants are the best resource as Management Consultants and such Professionals have the proven track record of success in the corporate market. The elements behind this success is the relevant education, exposure and enthusiasm of Management Accountants to provide their top quality services to the industry.

I expect that this Directory will be helpful for all relevant stakeholders of the economy.

Zia-ul-Mustafa, FCMA  
President & Chief Executive  
ICMA Pakistan

## Message from Vice President and Chairman TSPD Committee

I am delighted to present first ever edition of Directory of Practicing Management Accountants. The directory is intended for the information and benefit of businesses, Government and other stakeholders to help them select competent consultants. I hope you will find it beneficial.

Management Accountants have been closely involved in supporting, planning, controlling, and coordinating the decision-making activities of businesses. In view of increased competition, the importance of Cost and Management Accountants cannot be over-emphasized to support businesses in achieving efficiency and competitiveness.

Practicing Management Accountants provide consulting support to the businesses in designing and implementing financial & ERP systems, financial and cost analysis, business and management consulting, business planning and feasibilities, revival of sick units, budgeting, strategy definition and implementation, internal controls, cost and financial audits, tax and corporate planning, business process outsourcing, and capacity-building etc.

I am thankful to members of Technical Support and Practice Development Committee for their active support for printing of this directory. I am also thankful to President and Council Members of ICMA Pakistan who extended full support during this process. The efforts of Branch Councils are also commendable. Finally, I appreciate the efforts by Mr. Tariq Javed Kamboh, the Secretary TSPD committee, for his coordination and efforts.

Ghulam Mustafa Oazi, FCMA  
Vice President  
Chairman, Technical Support and  
Practice Development (TSPD) Committee  
ICMA Pakistan
