|                    |             |   | (c)              |                      |                        |
|                    |             | Total Marks of Part E = 18                          |                  |                      |                        |
|                    | 100         | Total Total Marks of Questions = 6 This Paper = 100 |                  |                      | Total Time:<br>3 Hours |
|                    |             | Questions =   | o inis Pa        | <del>pei</del> = 100 | 3 Hours                |

## Note:

- (1) The above suggested paper pattern and style is provided only to facilitate the students for their preparation of examination.
- (2) The weightage % shown against each part does not necessarily specify the number or marks to be allocated to that part in the examination.
- (3) Division of parts/ sub-parts of the question(s) may be varied as per the requirements of the question paper i.e., only (a) or (a & b) or (a, b & c) and so on.
- (4) Question papers may include definitions, concepts, principles, cases and scenarios etc.
