Session on Career in Higher Education for CMAs

Management Accountants are performing multidimensional responsibilities within the organizations and apart from their specialized knowledge; they are well fit for leading the teams having integrated functional responsibilities. The diversified skills of Management Accountants make them best suited for organizations having a multifunctional work environment. Academia being no exception, is being served well by our members. Keeping in view the size and importance of the education sector in Pakistan, Karachi Branch Council is pleased to organise this session to increase awareness of the members to seek new opportunities in the higher education.
