Preparations

As you will be traveling for few days away from your home and city thus you should be prepared. These are some prep suggestions from our side.

What to bring

- a. Warm clothes for the evening and night, this includes a woolen sweater, jacket, muffler, hat and gloves.
- b. Slippers, while traveling.
- c. Joggers and at least 3 pairs of woolen socks for roaming around.
- d. Sun block, Vaseline, shades, trekking stick, clothing and a cloth to cover your face for day time as high altitude places can be quite warm and sunny if the clouds aren't there.
- e. A rain coat and a torch.
