# Orientation Session of ICMA Pakistan Faisalabad Toastmasters Club\*

Leadership is an art of persuading others to do what you wish to be done. To do so, you need to communicate and you need to work as a team. In Toastmasters club, you will do both; and you'll find out how to vary your approach to suit the needs of different people. Whatever goals you wish to achieve in life, they will be realized quicker and easier by improving your ability to lead. Confident, charismatic leaders weren't born that way.
