

# ICMA Pakistan

Professional exams require some special techniques in order to attempt the papers in logical manner with professional approach. There is no substitute of possessing the required knowledge, equipping yourself with the right kind of exam skills, which will enhance the change of passing the exam.

KBC is organizing a seminar on examination techniques at Khi & Hyd Centre prior to the summer 2016 Examination. The interactive session in the seminar will provide an opportunity to the students to table their queries and concerns, which will be appropriately addressed by the speakers.

- **Scope:** An interactive seminar providing hands-on experts' advice on how to read, interpret and answer the question appropriately.
- **Who will be benefited?** All the student will be able to improve their understanding on professional examination.
- **What will you gain?** The presentations in Seminar by appropriately skilled presenters help you to know
  - ✓ How to approach your examination;
  - ✓ What the examiner wants from you,
  - ✓ What you need to do, and
  - ✓ How to make sure you get the best possible marks.
  - ✓ Much greater confidence which may improve chances of exam success.
