

Seminar on
“INTERNATIONAL TRADE”
(Documentation, Payment methods and Inco-terms)

International Trade is the exchange of capital, goods and services across international territories. In most countries such trade represents a significant share of Gross Domestic Product (GDP). While international trade has been presented throughout much of history, its economic, social, and political importance has been on the rise in recent centuries.

Industries, advances transportation, globalization, Multinational Corporation and outsourcing are all having a major impact on the international trade system. Increasing international trade is crucial to the continuous of globalization. Without international trade, nation would be limited to goods and services produced within their own borders.

Lahore Branch Council (LBC) has always come forward to provide platform for personal and professional development of members and Qualified/ Students by organizing programs on capacity building, grooming and personality development. Keeping in view the importance of the role of Import & Export process, LBC is organizing Seminar on “**International Trade**”
