

# Webinar on BUSINESS INDUATION

Islamabad Branch Council (IBC) in collaboration with CPD committee of ICMA Pakistan is pleased to announce Webinar on Business Innovation.

The webinar on Business Innovation aims to provide creative insights to the businesses ranging from a newly incubated startup, to a Family oriented business, to small and large commercial setups. This session will identify the structures, ideas and ideal frameworks for working environment in order to help business to sustain and flourish in an Ecosystem.

This session will walk you through the Business Canvas Model along with the idea of exploring and unleashing the inner potential, and also how to make optimal use of limited resources. Real-Time experiences of Home-grown Asian entrepreneurial families will also be part of the session.

This unique Business Model can be followed by the new start-ups, large Business Organizations, and also by a small family-owned business to bring innovation and creativity. The model is also favorable to Profitable and Non-Profitable social ventures for defining their project activities.
