# Guidance on How to use ISAs in Audits of Small and Medium-Sized Entities

Quality Assurance Board (QAB) of Institute of Cost and Management Accountants of Pakistan, in continuation of its lofty efforts towards the development of the practicing profession and capacity building of the practicing members and their staff, is pleased to conduct the Workshop on Guidance for Using ISAs in the Audits of Small and Medium-Sized Entities.

## OBJECTIVE

- To enable CMA Firms and their staff to develop a deeper understanding of an audit conducted in compliance with International Standards on Auditing (ISAs);
- To help CMA Firms conduct high-quality, cost-effective audits, enabling them to better serve SMEs;
- To provide non-authoritative guidance on the application of International Auditing Standards (ISAs) in the audit of SMEs.

## TRAINER'S PROFILE

**Tariq Mahmood, Quality Control Reviewer**

Tariq Mahmood is a Professional Accountant from Big-4 Accounting Firm and represents cumulative professional work experience for over 14 years including more than 10 years in audit, assurance and financial advisory services with a strong record of leadership and delivery of services in various sectors. He possesses excellent and up to date knowledge of IFRS/IAS, IFRS for SMEs, AFRS for SSEs, ISAs and Corporate Matters. Previously, he has served in Pakistan, Saudi Arabia, United Arab Emirates and Afghanistan.
