

Institute of Cost and Management Accountants of Pakistan

Under the aegis of National Council's CPD. Seminars and Conferences Committee

Thursday, May 25, 2017

9 am to 5 pm Seminar Hall **ICMA Pakistan** Head Office, Karachi

Workshop Introduction:

The recent Companies Bill 2017 has brought various amendments in Companies Ordinance, 1984. The Bill was initially introduced through Presidential Ordinance in November 2016. The Bill was then deliberated at National Assembly's Standing Committee on Finance before it received assent of National Assembly. As per legislative requirement, it is now with Upper House and before being considered by the Senate, it has been thoroughly deliberated at Senate's Standing Committee on Finance which brought further improvement in the Bill. It is yet to become Act, however, all major additions and amendments have been incorporated and there would be no further major change. Keeping in view that this is the right time to learn about the Bill, the Institute is organizing a full-day workshop on Companies Bill 2017. The workshop will highlight major additions and amendments which would be highly useful for both executives in the corporate sector and professionals in practice and consultancy.
