## WHAT IS AFFILIATE FINANCIAL ACCOUNTANT SCHEME?

**ICMA Pakistan** with an objective to enhance the recognition and employability of its students has introduced the 'Affiliate Financial Accountant' scheme in order to recognize its students who have completed Managerial Level Examinations of CMA Professional Qualification (or equivalently qualified as 'ICMA Inter' in old syllabus) and acquired 1.5 years of practical experience in industry or any CMA Practicing firm by awarding them the 'Affiliate Financial Accountant' status.

The curriculum of ICMA Professional Qualification is developed in accordance with the guidelines of International Federation of Accountants (IFAC) to ensure the students are trained as professionals having technical business acumen and leadership skills in order to meet the employability needs of businesses and students.

Students who have successfully completed Managerial Level of CMA Professional Qualification are recognized by employers for the value they may add as 'Professionals' in any organizational hierarchy. Such students are mostly employed by organisations owing to their specialist skills due to high quality of education and examination systems of ICMA Pakistan.

Hence, owing to response from industry identifying a need for a formal recognition, the scheme of 'Affiliate Financial Accountant' has been introduced. This scheme would further enhance the recognition of managerial/inter level qualified students of ICMA Pakistan, giving them a head start in their career by allowing them to use recognized designation along with their names, there by enhancing career growth opportunities for them.

The Institute will publish an annual directory for 'Affiliate Financial Accountant' title holders to officially recognize them as part of Institute's fraternity. Title Holders will be allowed to use 'AFA' designation in front of their names in addition to the ACMA/FCMA designations acquired later on in their career.

For example:

**Ali Hassan, AFA**

**In order to be eligible for 'Affiliate Financial Accountant' scheme, a student must have:**

- ▶ Completed ICMA Managerial Level or ICMA Inter of CMA Professional Qualification
- ▶ Acquired 1.5 Years of practical experience in industry or any registered CMA Practicing firm.

## BENEFITS
