REVISED CIRCULAR

COMPULSORY PRACTICAL CORPORATE TRAINING MODULES [PCTM]

It is hereby notified to all concerned that in order to enhance the contemporary professional skills and knowledge of CMAs to cope up with market demand required for professional jobs and responsibilities, the competent authority has decided that the following three Practical Corporate Training Modules are also compulsory for the students having Masters/Graduations degree/*PIPFA membership w.e.f. July 1, 2023

- PM1- ERP Solutions and Practical Aspects of Accounting & Auditing Procedures;
- PM2- Financial Modeling and Management Reporting;
- PM6- Communication Skills.

The students who have applied earlier or will apply for waivers of all six modules on the basis of 14/16-Year of education or PIPFA membership up to June 30, 2023 are valid. After the expiry of deadline applications for granting waivers in the above modules will not be entertained.

Eligibility for admission in the modules is same as mentioned in the examination progression scheme given on the Institute website at https://www.icmainternational.com/exam_progression_scheme.aspx.

All concerned may please note for compliance.

*Those candidates who would be qualifying PIPFA as a complete studied route, all six practical modules will remain optional for them.
