**CIRCULAR**

**Financial Incentive for Dormant Students to Resume Their Study in ICMA Pakistan**

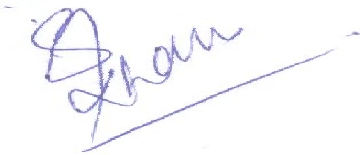

We are pleased to inform that the competent authority has approved a financial incentive [Waiver from restoration and outstanding annual subscription except current year subscription] for those dormant students who wish to complete CMA certification but did not take admission or appear in remaining / leftover courses examination due to financial burden of outstanding annual dues and restoration fee. Therefore, such students may take admission or appear in remaining / leftover courses examination in which they are eligible to take admission or appear in examination by availing the above financial incentive.

The incentive is available for those dormant students who will be continued their study in ICMA Pakistan by taking admission in applicable courses or applying for remaining/ leftover courses to appear in upcoming examination for the courses in which they are eligible for examination.

The dormant students are advised to contact with your respective centre to resume their study in ICMA Pakistan for completion of CMA certification by availing the financial incentive.

All concerned may please note for compliance.
