25% Special Discount in Coaching & Re-Coaching Fee

Responding to the emerging situation due to outbreak of COVID-19, the competent authority has taken initiative to grant 25% special discount to our students in coaching fee for this current session Spring-2020.

Presently, the institute has various financial assistance and scholarship policies; therefore, those students who are already availing or the Institute has committed to grant 25% or above discount/concession/scholarship in coaching fee as per the Institute's existing financial assistance and scholarship policies are not eligible to get aforesaid special discount; however, if less than 25% discount has been committed by the Institute then this special discount will supersede the lesser percentage of the concession.

Moreover, those students who have paid the coaching fee in installment or full for the session Spring-2020, 25% of paid fee will be adjusted in other payable which will be utilized by the students in future. The special discount will also admissible on re-coaching.

All concerned may please note for compliance.
