CIRCULAR

Complimentary Refresher Courses for June 2023 Examinations

The Education Department is pleased to announce refresher courses of all 18 courses. These refresher courses will be taught using question-answer approach rather than conventional style of lecturing on certain topics by faculty. The students will be given an opportunity to submit their questions of relevant topics of respective courses in which they need clarification of important concepts.

The experienced faculty members will provide in-depth explanations of important concepts and answer any questions you may have. Any student can get register and submit up to three questions of any course through student's portal using their designated **user ID and Password** from **April 20 to April 30, 2023**.

The purpose of question-answer format of refresher courses is to analyze the learning needs of students and provide insight to clarify doubts to better understand the concepts. We hope this question-answer based refresher courses will be a great way for students to actively engage with the study in more interactive manner.

Detail of Refresher Courses is mentioned below:

Courses

All 18 Courses from Operational Levels to Strategic Levels

Date of Commencement of Classes

May 8, 2023

Course Duration

12 hours per subject preferably comprising six classes of 2 hours each
