CIRCULAR

Transitioning to Online Classes

In pursuance of the directives issued by the Federal Ministry of Education and Professional Training, Government of Pakistan, the competent authority of ICMA Pakistan has decided that all physical coaching classes and other students' activities at all ICMA Pakistan campuses will remain closed from November 26, 2020. In order to facilitate students, ICMA Pakistan is shifting existing physical classes to online classes at campus level by using Zoom Meeting platform to complete remaining lectures from respective faculty of their campus. Schedule and link to attend the classes will be shared by respective campus with students shortly. Recorded lectures of the classes will also be available at the students' portal.

In addition to above, ICMA Pakistan is already conducting online classes for its students with best faculty nationwide having blended experience of education and corporate sectors. The enrolled students may join online classes of their respective courses arranged by Education Directorate centralized by login in students' portal and also get benefits of recorded lectures. The link of students' portal and login ID and password are as follows:

Students' Portal: https://www.icmap.com.pk/Login_Student.aspx

Login ID: Eight-digit student registration number e.g. 00000000

Password: Student date of birth e.g. YYYYMMDD

All administrative activities at all campuses will remain operative, if you need further information on the matter or facing difficulty in login, please contact your respective campus.
