	100	Total Questions = 6	Total Marks of This Paper = 100	Total Time: 3 Hours

**Note:**

- (1) The above suggested paper pattern and style is provided only to facilitate the students for their preparation of examination.
- (2) The weightage % shown against each part does not necessarily specify the number or marks to be allocated to that part in the examination.
- (3) Division of parts/ sub-parts of the question(s) may be varied as per the requirements of the question paper i.e., only (a) or (a & b) or (a, b & c) and so on.
- (4) Question papers may include definitions, concepts, principles, cases and scenarios etc.
